stream coffee table (1502): 44"w x 28"d x 15"h

cherry no longer available

stream end table (1510): 22"sq x 23"h

stream console table (1523): espresso, 55"w x 12"d x 30"h

The stylized beauty of these tables draws upon the mixed materials of wood, metal and glass. The collection combines solid bands of nickel-plated steel with floating levels of wood and glass. The result is a free-flowing design that brings a light air feel to any room. The entire collection can also do double duty as Entertainment Centers.

Finish Options: Espresso and Clear Glass with brushed steel frame
