

fin table collection

fin coffee table (1106): espresso, glass + steel, 61.5"w x 33"d x 14.5"h

fin end table (1110): walnut, glass + steel, 25"w x 29.5"d x 22"h

For design inspiration, the designer of our **Fin Table Collection** focused on the form of a surfboard. The result is this new line of unique tables. The shape of the **Fin Table** creates a stable platform that allows for the lower shelf to be either revealed or hidden depending on your preference. These dynamic tables are sure to become conversation pieces in any setting.

Finish Options: Available in Walnut or Espresso-stained Oak with brushed steel and tempered glass.
