The **Frame Sleep Sofa** attracts immediate attention with its unique design and multiple functions. The adjustable back rest can be set in sofa, lounge or bed position, and the two sides of the seat (the wings) can be raised with a simple click. Upholstered with high-quality pocket springs and foam, and clean cut legs in brushed stainless steel. Sleeps 1 1/2 in the bed position. Designed in Denmark, proudly made in China.

Finish Options: Red, White, Brown or Black Leather Textile. Legs in brushed stainless steel only.
