The elegant details of the **Cocoa Sofa Collection** is what makes it one of our favorites. The tight backrests. The flared arms. The gently rounded forms and the tapered solid wood legs. **Cocoa** is inspired by '40s-era design, but we've updated it for modern living by tailoring it in family-friendly, glossy brown Royal leather. The **Cocoa** mixes beautifully with classic or modern furnishings. Made in Canada.

**Finish Options:** Available in over 30 leathers and fabrics. Wood leg available in Walnut or Wenge.
