The clean, architectural lines of our **Metropolis Sofa Collection** makes it a sculptural statement for your living room. The removable, articulating back rests provides ergonomic comfort and great flexibility. Turn it around to create a chaise or remove it and the sofa base becomes a day bed or sleep sofa. Pull up the Bench Ottoman to create a double bed for extra guests. Made in Canada.

Finish Options: Available in over 200 fabrics or leathers with polished chrome legs or cone-shaped stained Wood legs.
