phoenix dining table: walnut, shown with pavillion dining chair.

phoenix table shown in closed, opening and fully open position

Our very clever **Phoenix Dining Table** transforms from a round table that seats four into a larger size that will seat up to eight of your guests. Wait until they are all assembled before you spin the table top out, push down on the patented leaf mechanism and voila, pure magic. The bold, contemporary styling of the **Phoenix** makes it the perfect solution for your small dining room. Made in Denmark.

Finish Options: Available in Oak, Cherry, Maple, Beech, Rosewood, Walnut or Wenge stain.
