A **dane decor** favorite. The **Martinique Collection** from France is a true work of art. Small pieces of blue and green glass are melted with copper dust on to art glass to create a one-of-a-kind masterpiece. Solid beech is steamed to give it a deep reddish tone and hand-rubbed with an oil finish. The **Cayman Chair** is the perfect compliment with your choice of seat covers. Made in France.

Finish Options: Available in Steamed Beech with Blue-Green Antigua or White Crystal Glass.
